## **Tour for Fundraising by Eritrean Relief and Development Association**

The Eritrean Relief and Development Association (ERDA) is a Non-profit, humanitarian organization. ERDA is licensed as a Non-profit, humanitarian organization. ERDA has been active supporting Eritrean refugees displaced from their homes. ERDA, with limited capacity of members, joining with other Non-profit humanitarian organizations and individual donors are making tremendous efforts.

We have the pleasure of having our brother Kahsay Yehdego is one of the volunteers Board of Directors, representative in the field is coming to USA in mid-March for a month. With a kindly reminder, ERDA is asking for your full support to demonstrate successful fundraising events. These funds will benefit Eritrean refugees, with respect.
